Solar is Coming to ECUMC!

Sometime this fall, 118 solar panels will be installed on our church roof along with the inverters and electrical systems to harness the energy of the sun for our building. This system will replace about 60% of our current electrical expense, about \$10,000 per year, and as energy costs go up, so will our savings. These panels will last at least 30 years and will save, conservatively, over \$250,000 in energy costs over that time.

How are we paying for this? When our former sister church, Zion UMC in Colgate, merged with ECUMC, a group of former Zion members cared for the upkeep of that church and oversaw its sale in 2020. A major portion of the proceeds was committed to the perpetual care of the cemetery, and through this faithful stewardship the balance (about \$60,000) has made the solar project possible. The rest of the

cost of the solar panel project will be paid off out of capital funds over the next 6 years (about \$7,250 per year.) This capital account will be funded with donations and savings from our operating energy costs.

The savings alone make this project a sound financial decision for our church, but the elimination of carbon emissions is equivalent to planting over 1 million trees! That is a commitment to our faithful stewardship of God's creation that we all can be proud of.

If you have a deeper commitment to doing our part to reduce the devastation caused by climate change and feel called to contribute to this project, just identify your gift to the capital fund as "Solar Project." Emmanuel is leading the way as the greenest church in our neighborhood!

God Does Not Build in Straight Lines

In this month's installment (still not scary—I promise) of *The Gospel According to Horror Movies*—with Pastor Sean, I want to offer a quote from Ridley Scott's prequel to the Alien franchise, *Prometheus*. In the movie, a group of scientists are looking for aliens (not the scary black xenomorphs) who are believed to have played a part in early human evolution. When they begin surveying the planet that they believe these Engineers, as they call them, came from, the spaceship banks around a mountain and over a valley. Looking down and seeing a number of structures arranged in a row, one of the main scientists, Charlie, points to them and says, "There! God does not build in straight lines."

And he is correct. If you look out across nature, even across your own garden, you will notice a decided lack of straight lines. Even things that at first appear straight—the edge of a leaf, for example—are actually very finely textured. Put that leaf under a microscope and you see even more texture and

variation. Get down to the atomic level and things start looking like amorphous clouds.

This is not to say that God acts without thinking or plan—of course not. The Apostle Paul teaches us, "for God is a God not of disorder," meaning chaos or confusion, "but of peace," meaning orderliness or calm, "as in all the churches of the saints," (1 Corinthians 14:33, NRSV-UE). God is a god of order, not chaos. But he is a God of *organic* order, not rigid mathematical, economic, mechanical, or legalistic order.

For that reason, God, again through the Apostle Paul, tells us the Church is the body of Christ. Not the math book of Christ, not the fiscal prospectus of Christ, not the computer of Christ, not the juridical decision of Christ—but *the body of Christ*. Hear what the Apostle says,

"For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ. For in the one Spirit we were all baptized into one body—Jews or Greeks, slaves or free—and we were all made to drink of one Spirit. Indeed, the body does not consist of one member but of many ... If the whole body were an eye, where would the hearing be? If the whole body were hearing, where would the sense of smell be? But as it is, God arranged the members in the body, each one of them, as he chose. If all were a single member, where would the body be? As it is, there are many members yet

one body. ... If one member suffers, all suffer together with it; if one member is honored, all rejoice together with it. Now you are the body of Christ and individually members of it. (1 Corinthians 12:12-14, 17-20, 26-27, NRSV-UE).

Each individual member of the Church, each believer, is like a cell in the body. It stands on its own as a unique and independent entity, but it needs the other cells to survive and thrive. As cells are grouped into organs, so too believers come together in ministry teams; like our Green Team or Women's Ministry Team. Doing so, they can accomplish the vocation they are called to in a way that an individual or cell cannot. Moving up, organs in the same system (like the cardio-pulmonary system) group unique organs into a group that can do more than the organs themselves. This is like a local parish church where many different teams are brought together into a greater, synergized ministry. Finally, all the systems of the body come together to form one, healthy, living being. This is the Church universal, the Church Catholic. It is all Christians, all parishes, all denominations working together in harmony under Christ, following his teaching, commandments, and example. Each member, team, and congregation is unique, autonomous (to an extent), and to be respected, but at the same time all are a collective, a whole, a body that needs each and every member of it, or else the body and its members all suffer.

So, we can see how this is orderly, but not linear. Again—God does not build in straight lines.

Why, then, do we try to force the Church, the body of Christ, into straight lines and square boxes? Why do we seek business or military style chains of authority on ministry teams and projects, rather than the servant ministry of Christ? Why do we fixate on agendas, meetings, and systems — most of which have their basis in the legal system — rather than on the feet-on-the-ground, getting-our-hands-dirty work of piety, mercy, and ministry lived out by Christ, his prophets, his apostles, and his saints?

Coming out of COVID, Emmanuel is moving in a more organic and less linear direction—thanks be to God! Our Pastoral Care Shepherds are working to reconnect people to the Church through personal contact, rather than recruitment drives, and our parish leadership is moving us from the (now outmoded) "Church Council with Sub-Committees" structure to the more flexible and vital Accountable Leadership manner of oversight. These are and will be great blessings to our Emmanuel Community United Methodist Church as we seek to grow our community in God's organic way, rather than the rigid, harsh, stuck-in-a-box way borrowed from legal, economic, and military systems. God does not build in straight lines—and neither should we. We are the organic body of Christ; so, let's live like it!

End-of-summer blessings to you all!

Pastor Sean

Kick-Off Sunday: Taste of ECUMC Sunday, September 11–9 AM to noon

If you love to eat, you'll be excited for our 2022 ECUMC Kick-Off Sunday!

Based on the popular "Taste of..." events, we're going to host our own "Taste of ECUMC"—and you are invited!

Come to Sanctuary worship at 9 AM for your **"First Course"**—worship!

The service will include Communion, special music, and a sermon by Pastor Jerome based on Psalm 34:8, *"O taste and see that the Lord is good; blessed are all who trust in the Lord!"*

There will be opportunities for introspection and sharing as well as something of special interest to our youngest Christians.

The **"Second Course"** will be our shared meal and time for fellowship *al fresco* on the front lawn. Thanks to the Kitchen Klub, we'll enjoy pulled pork, slaw, a green salad, and mac 'n' cheese. (We'll move to Celebration Hall if the weather doesn't cooperate.)

The **"Third Course"** will be your tasting opportunity. Visit the various ministry "cafés" to receive a tasty compliment to your meal while you learn about what each ministry has to offer and how you might become a part of it. There will also be some food-themed games and crafts.

Taste and see! Psalm 34:8

Game Night is Resuming!

For all of you who love to play games, this group is for you. We meet the third Friday of every month at 7:00 in Fellowship Hall for anyone who can make it.

We play games such as Sequence, Mexican Train Dominoes, Euchre, Play Nine, Quiddler, or any game you care to bring for the group to try. We usually have several different games going on around the room. We all bring our own beverage and snacks. When Covid numbers go down again, we will go back to sharing snacks. Our next Game Night will be Friday, August 19 at 7:00 in Fellowship Hall. Please mark your calendars for every 3rd Friday of the month to join in on this fun event. If you have any questions, please contact Linda or Bob Wagner at (262) 255-0441 or linbob530189@gmail.com.

Soap Making Workshop

People have been making soap since before history has been recorded. Come and experience this ancient art and science for yourself this fall on Sunday Sept 25, at 10:45, after the second service.

Donna Baumgartner makes her own soap and is looking forward to sharing this creative opportunity with anyone who wants to learn more about it. If you would like to take part, please let Donna know at donna.baumgartner59@gmail.com.

Supplies to bring with you:

- An old long-sleeved shirt (does anyone still have their ECUMC Kitchen Klub denim shirt in their closet?)
- A pair of elbow length gloves (rubber dishwashing gloves, rose gauntlets, etc.)

We will talk about:

- A short history of soap
- How to handle Lye safely
- What it means to Donna to make her own soap

This will be fun! Snacks will be provided.

MISSIONS and MINISTRIES

Pam Laurion; pbslaur@aol.com

*Listen to the
Voice of creation*
SEASON OF CREATION 2022

Creation Justice Tips from The Green Team

The United Methodist Creation Justice Movement provides "Tips" each month as a tool to equip church members, families, and individuals to respond to God's call to care for creation and do justice with our neighbors. Below, you will find some selected tips from July to consider adopting or practicing. Check to see what might fit your life.

Celebrating the Season of Creation

Emmanuel Community Church will celebrate the Season of Creation from September 4 to October 2 this year. This season reminds us of the majesty of God's creation and our responsibility to care for it. Our theme this year is "Listen to the Voice of Creation." We'll consider the many ways God's creation, and its inhabitants, speak to us and how we can respond to their messages. We hope you will enjoy celebrating this special time of our Christian year with us.

Community Banquet

ECUMC is scheduled to do the cleanup after the Community Banquet on Thursday, August 11. **Could you help for about an hour from 6:00 to 7:00?** If so, please contact Jean Reif at 262-224-3699 or jereif9@gmail.com.

The Community Banquet is a free meal program hosted at St. James Church in Menomonee Falls. Several area churches, including our own, share in handling the setup

and desserts, cleanup, and cooking on a rotational basis throughout the year. This is an important mission in helping area folks on a tight budget as well as creating an opportunity for sharing and fellowship. **Your support of this program is much appreciated!**

You can easily save energy, water, and time. Just **run your dishwasher** with it as full as possible. Handwashing dishes results in using more water (up to 27 gallons vs. 3 for the machine). Heating the water for those extra gallons is an unnecessary energy cost to your wallet and the environment. The dishwasher is also more hygienic because it heats the smaller amount of water to a degree your hands—and germs—can't stand.

Are you visiting a lake, river, or ocean for vacation? The shoreline is beautiful but look closely and litter mars the view. Along with your beach gear, take some bags and **pick up the trash you see**. Perhaps other beach goers will pick up the idea from your example.

Conserving water is something all of us can do. **Calculate your water footprint** with this tool (watercalculator.org) so you have a baseline of usage. The calculator also gives practical tips for reducing use.

Seventy percent of water usage is for food. Raising livestock is much more water intensive than growing plants. **Shift to more meatless meals. Commit to using up leftovers and minimizing food waste.** More people making these choices will conserve water resources for all.

Polyester—even recycled polyester—fabrics release microplastics when washed. Those enter the water systems and then the food chain, harming marine life and ultimately humans. **Choose your clothing carefully. Wash what you have less frequently and more gently.**

STEWARDSHIP

Anna Thompson; annavbthomp@gmail.com

Gratitude Moment

(from Ephesians 4:31-5:2)

Perhaps you've had this same experience. When opening up a new board game, you take time to read the rules and explain them to the other participants, and you all agree to follow the rules in order to enjoy the game. In Ephesians, the game rules for following Jesus instruct us:

Put away (pack up) bitterness, wrath, anger, wrangling, slander, malice...

Be kind to one another! Forgive one another. Be imitators of God.

Live in love, as Christ loved us and gave himself up for us...

Are you a rule-follower?

When we come to this time of offering, does your gift show you follow the rules as you **give**? How does what you give show you imitating God?

In what way are you giving yourself up?

Thank you, God, for the many gifts you continue to give each of us, whether or not we "follow the rules". Please receive our gifts and help them become the means by which life is more fully molded into your design for each and all of your children. Renew in us the desire to live our lives as beautiful offerings, eagerly seeking to imitate you with our whole selves.

AMEN

Thank You from the Falk Family

Our sincere gratitude to our Faith Family for the kind support received after Wes' sudden death on June 11. The Memorial Service on June 20 was indeed comforting, inspiring, and simply a beautiful tribute to him and his life of service. The sermon, music, flowers, memorial gifts, greetings, kitchen help, and technical support were all quite beautifully overwhelming to our entire family. SO many people have shared what an inspirational worship it was. The modern technology of the internet enabled family and friends, literally, around the world, to participate. Please know your continuing care is helping us to heal from this very sudden and sad loss in our lives.

Sincerely, Bonnie Falk and Family

August Books Between Bites

We will meet at 1:00 PM, August 19, at Ally's. We will review any books that we have been unable to finish due to the busy summer months. We can also review *Where the Crawdads Sing*. The movie has been released! New members are always welcome to join us.

NOTES FROM THE OFFICE

Tara Nooyen; taran@ec-umc.com

I've been working at ECUMC for six months and here are some things I have learned:

ECUMC has welcoming members of the church. I've met many of you face-to-face, and even more through e-mail conversations. I have developed special relationships, which I cherish.

ECUMC cares about its building. The Trustees, Green Team, and volunteers have worked on the following since I started: repaving the parking lot, installing more cameras, rewaxing the floors, beginning the process of adding solar panels, and frequent appointments to make sure things are working properly.

It is clear what ECUMC believes. You make your missions clear. There are many programs for your children and youth. There is no lack of opportunities for volunteering or participation. The discipleship options offered through bible study, fellowship, and workshops are abundant. You believe in community and the wider church.

ECUMC has embraced technology. From your outdoor electronic sign on Menomonee Ave, the televisions with announcements and weekly calendar throughout the building, eNews and Facebook, to the AV-Tech Team and its volunteers who livestream and bring you the most creative technology during your worship services—you know how to reach and welcome multiple generations.

ECUMC staff and volunteers work harder than you'll ever know. They plan worship, lessons, music, and discipleship opportunities well in advance. They are a family and problem-solve as a team.

Thank you again for welcoming me!

CHILDREN'S MINISTRY

Christmas Program Planning

Families with preschool through high school students, please help the Music and Children's Ministry Teams as we plan for this year's Christmas Program. Simply fill out this short survey. The entire rehearsal and performance schedule is listed on the JotForm. <https://form.jotform.com/212938145041148>

Intergenerational Sunday School Pizza Garden

August 14, 10:00–11:00 AM

The Green Team is excited to invite you to a special Intergenerational Sunday School following worship on August 14. Besides assembling your own pizza using vegetables from the Green Team's Growing Faith Garden, you'll learn about the health and environmental benefits of putting more vegetables in your diet.

Summer Fun Game Night & Pizza Supper — Thursday, August 18, 5:00–7:00 PM at ECUMC

Enjoy indoor BINGO with prizes, outdoor 9-square, kickball, and parking lot games for all ages right here at ECUMC. Pizza will be served! Please register by August 17. Call the church or use this link: <https://www.signupgenius.com/go/10C0C4AA4A92CA1FAC16-summer1>
Be sure to send the link to family and friends you invite.

Fall Program Year At-a-Glance:

Intergenerational Sunday School:

9:45–10:45 AM on the 1st Sunday of every month. Intergenerational Sunday School is a community building time of faith and fellowship between all age groups. Sunday School classes for children through adults are suspended on 1st Sundays to allow everyone to worship together in the Sanctuary then grow in faith together in the relaxed atmosphere of Celebration Hall. Coffee and snacks will be served.

Nursery: Ages 0-2, staffed by caring professionals; open 8:15–10:45 AM and during special events. The Nursery is located across from Fellowship Hall in Room 108.

Jesus' PLACE Preschool: Ages 3, 4, and 5-year-old children who have not yet entered kindergarten. Children meet in a dedicated classroom with the same teachers for the entire school year. Parents are welcome to assist. Gather in Room 106 at 8:30 AM for bible stories and stimulating activities designed to introduce children to Jesus. Children will be taken to the Children's Music Room behind Fellowship Hall for Music Time 9:15–9:30.

Children's Sunday School:

Kindergarten through 5th grade classes are held 8:30–9:30 AM with the last 15 minutes devoted to Music Time in the Children's Music Room behind Fellowship Hall. Please read the "Parent/Teacher Orientation" article on page 7 to learn more about this activity-based Sunday school program.

6th–12th grade students meet from 8:30–9:30 AM in Room 102, the Youth Room. Hands-on activities, games, and movie clips cement concepts explored in Bible study and discussion portions of each class. Class is held in a relaxed, comfortable classroom. Students are also encouraged to participate in worship services and to assist with preschool and elementary Sunday School classes.

Adult Sunday School:

8:30 AM on 2nd–5th Sundays. Adult classes are offered at various times throughout the year and are often based on a 4–6-week topical approach. Watch Pathways, Community News, Monday E-News, and bulletin boards for upcoming opportunities. Be sure to round out your faith development practice by participating in Intergenerational Sunday School at 9:45 on 1st Sundays.

CHILDREN'S MINISTRY

Contact: Karen Burzinski; KarenB@ec-umc.com

Parent/Teacher Orientation Children's Sunday School

The Children's Ministries Team is ready to dive into fall with classrooms full of children in our engaging Workshop Rotation Model Sunday School (WoRM). This very successful Sunday school model we have used at ECUMC for kindergarten through 5th grade, is more than worksheets and assigned classrooms. Children focus on one Bible story a month, experiencing the story from a variety of angles in a different classroom each week. Weekly repetition cements this newfound knowledge for children. Children who cannot attend every week still grasp the concepts and never feel like they are missing out, because hands-on projects do not carry over from one week to the next.

Parents and Guardians, we want to help you learn the system to take the confusion out of finding your child's classroom on Sunday mornings.

This model requires a teacher and assistant in each classroom weekly. There are opportunities for adults and high school students who would like to serve all year, and there are short-term opportunities for anyone interested in a 3-4-week position.

We invite all who desire to help our children grow in their relationship with Christ to come to Sunday school September 18 at 8:30 AM. Choose the age group with which you would like to participate, and experience Workshop Rotation Model Sunday School with the children. Adults will have the last 15 minutes of class to ask questions and learn about teaching opportunities when children are dismissed for music.

YOUTH MINISTRIES

Contact: Bill Follmann; BillF@ec-umc.com

Confirmation Meeting

A meeting for confirmation students and parents will be held on Sunday evening September 11 from 5:30 to 6:30. At this get-together we will discuss the program for the 2022-2023 confirmation year with a tentative schedule and also get to know one another better. There is a \$50 fee for confirmation. Please bring the fee when we get together on September 11. I am looking forward to an exciting year. Confirmation classes will meet on Sunday evenings, usually lasting an hour, starting at 5:30 PM. We will try to get together in person on a weekly basis,

although there may be times we utilize zoom. Please let me know if your student is going to be a part of this year's confirmation class. I would like to get an idea of how many are participating so I can have the materials ready to be distributed properly.

I appreciate all your prayers, support and understanding.

Let's Go Camping!

Emmanuel is going camping Aug 11-14. Sponsored by Youth ministries, we are looking to get Emmanuel outdoors and into the woods for a fun-filled weekend by Pine Lake in the Wilderness campground area. We have reserved a loop in the campground that has electricity to all sites and water to most. The cost is only \$50 per campsite for the weekend. Activities on-site are swimming, canoeing, boating, volleyball, hiking and much more. Other amenities include a shower house with bathrooms only a short distance from the camp sites as well as a shelter to use in case of rain. See Bill to sign up as the sites are going quickly. If you are unable to attend but would like to sponsor a family, let me know as well. We will need to take care of our own meals but can work that schedule out as soon as we know who is coming. This is a great family, intergenerational event. The question to be answered on this campout is who can make the best s'more?

Top Ten Reasons To Get Involved with your Church's Sunday School and Youth Programs:

10. It's a great way to get back into your Bible.
9. You will become an instant hero to parents and the pastor.
8. Kids will start waving at you in church.
7. It will get your creative juices flowing.
6. It's a great opportunity to do together with a friend, your teen, or spouse.
5. You'll learn how to share your faith (and your family will see yours in action).
4. You'll deepen your relationship with God and knowledge of scripture.
3. You will become part of a team of new friends.
2. Because we all really do have time for what's important and fun.
1. Because there's no higher calling than helping raise up a new generation of disciples.

Music Ministry

Contact: Ellen Follmann; efollmann@ameritech.net

Choir Starts Thursday, September 1!

What a great time to join Chancel Choir, Women's Choir, and Men's Choir!

Chancel, Men's, and Women's choirs rehearse on Thursdays in the music room. The rehearsal schedule for the beginning of the year is:

Sept 1

6:00–Men's Choir

6:30–Women's Choir

7:00–Chancel Choir

Sept 8

6:00–Women's Choir

6:30–Men's Choir

7:00–Chancel choir

Sept 15

6:00–Men's Choir

6:30–Women's Choir

7:00–Chancel Choir

Sept 22

6:00–Women's Choir

6:30–Men's Choir

7:00–Chancel choir

Men and Women from high school on up are encouraged to come to a rehearsal and see just how much fun and what an uplifting experience it is.

There are no auditions for these choirs, please come and share your gifts.

Please e-mail or call me with any questions.

Sing Every Day,

Bill Follmann

Spirit Ringers Handbell Choir

Spirit Ringers Handbell Choir (the adult choir) will begin rehearsals on Tuesday, August 30, 6:30–7:30 PM in the Music Room. It will be exciting to see everyone for practice again! If you have any questions or wish to join us, please contact Kathy Kamps at kathy_kamps@yahoo.com.

Beginning Handbell Workshop

Have you wondered what it's like to play handbells? Perhaps you want to try them out before committing to one of our handbell groups?

We will be having a Beginning Handbell workshop which will meet Sundays at 10:45 in the music room beginning Sunday, September 18. We will conclude the workshop by playing at the 8:30 service on Sunday October 30.

This workshop is for everyone, young and old alike! We will learn basic handbell techniques and play some fun music, so come and join us!

If you have any questions, please contact Amy Bell at (262)628-7746 or jonamybell@sbcglobal.net

Coming in September

- Fall Kick-Off
- New Worship Schedule
- Music Practice Returns
- Exciting New Discipleship Studies
- Season of Creation
- Opportunities to Volunteer
- . . . and More!

HAPPY NEW (program) YEAR

CHURCH OFFICE

262-251-3830

Church@ec-umc.com

Hours: Monday–Thursday, 9 AM–1 PM

We ask that if you are moving, changing phone numbers, or getting a new e-mail that you let us know as soon as possible!

If you are taking an extended trip, please let us know so that we can hold any mail which might be sent via the Post Office — but be sure to send us a postcard from your adventures!

There are 2 ways to do this.

- 1. Email** the names, addresses, telephone contacts, and email to:
Church@ec-umc.com.
- 2. Call** the church at 262-251-3830 to update this information.

Would you please consider switching to receiving eNews from the church instead of mail through the post office? With postage rates going up and in an effort to reduce paper use, we'd appreciate it if you'd allow us to keep you informed via e-mail instead. Please contact the office to get signed up. Thank you!
