**Kick-Off Sunday:
Taste of ECUMC
Sunday, September 11th
9 AM to 12 PM**

If you love to eat, you'll be excited for our 2022 ECUMC Kick-Off Sunday!

Based on the popular "Taste of..." events, we're going to host our own "Taste of ECUMC" – and you're the most important "ingredient"!

Come to Sanctuary worship at 9 AM for your **First Course** – worship!

The service will include Communion, special music, and a sermon by Pastor Jerome based on Psalm 34:8, *"O taste and see that the Lord is good; blessed are all who trust in the Lord!"*

There will be opportunities for introspection and sharing as well as something of special interest to our youngest Christians.

The **Second Course** will be our shared meal and time for fellowship *al fresco* on the front lawn. Thanks

to the Kitchen Klub, we'll enjoy pulled pork, slaw, a green salad, and mac 'n' cheese. (We'll move to Celebration Hall if the weather doesn't cooperate.)

The **Third Course** will be your tasting opportunity. Visit the various ministry "cafés" to receive a tasty complement to your meal while you learn about what each ministry has to offer and how you might become a part of it. There will also be some food-themed games and crafts.

You'll enjoy themed cafés such as:

Roll-Away Stone Creamery

Cup of Grace Coffee Bar

Daily Bread Bake Shoppe

Elijah's Barbeque Pit

The Captain's Table

Final Harvest Bakery

Abba's Custard

(If your Ministry Team hasn't signed up yet for a booth, please contact Bill Follmann to stake your claim!)

**SEASON OF
CREATION 2022**
Listen to the voice of Creation

From September 4th to October 2nd Emmanuel Community Church will again celebrate the Season of Creation. As we enter early fall we take special notice of the beautiful creation God has given us and our need to care for it, which will be emphasized by our worship messages and activities during these weeks.

The theme of this year's Season of Creation is "Listen to the Voice of Creation." God's creation speaks to us constantly through beautiful plants and scenery. But it also speaks through wildfires, storms, and drought to let us know that the creation is being damaged. Those who are affected by these natural calamities speak to us through their pain and loss. Are we listening? Are we trying to heal the injuries to God's creation? We will use the symbol of the burning bush that spoke to Moses in the book of Exodus as a symbol of how God speaks to us through nature.

Two special events will help us celebrate this season. In the afternoon of September 18th we'll visit Lannon Sunflower Farm, which is only about three miles from our church. This farm has beautiful fields of sunflowers and a special area of wildflowers that provide food for butterflies and other wildlife.

We'll walk trails at the farm and participants can pick sunflowers to decorate their homes with these beautiful flowers that birds love. Cost is about \$5 per person. Time will be in the weekly Emmanuel eNews.

On October 2nd we'll have a bee expert speak to us at worship about how bees can teach us lessons about living in community. After worship he'll lead an Intergenerational Sunday School program which will help us understand the importance of bees in the environment. His passion for these members of God's creation is powerful!

You can learn more about their ministry by watching the video here:

<https://youtu.be/7toZG0ubUOY>

May this special season help us to hear God's voice more clearly and respond to it.

"I have heard their cry... I know their sufferings... Come, now! I will send you... I will be with you." — Exodus 3:1-12

Friends, we are now in September! Time flew so fast this summer! Now the Autumn season is just around the corner.

My family and I are so grateful to all of you at Emmanuel Community for allowing us to go to Sri Lanka to see our family in July. We were there for sixteen days, our travel was smooth, and we were overwhelmed by the radical hospitality of our family and friends. We were able to make some visits to Kandy, South of Colombo, and Negombo despite some transportation difficulties. All these are truly beautiful heavenly places on earth. Did you know that Sri Lanka has another name? "*Paradise!*" Truly it is! We thank Karen Burzinski, our director for Children Ministries, for sharing our photos on Facebook and in doing so, helped us all to stay connected.

As wonderful as our trip was as a whole, Sri Lanka is a nation that was and still is in deep crisis. An economic crisis has now turned into a political crisis. It began in April of this year when the young people in Sri Lanka (called Strugglers) began protesting for their fundamental rights and for social and political reforms. These young people were joined by great multitudes supporting their call. We are very thankful for your prayers and intercessions. My family's and my prayers throughout these protests have come from the Prophet Amos, who said, **"But let justice roll down like water and righteousness like an ever-flowing stream,"** (Amos 5:24, NRSV-UE).

Sri Lanka has had a strong democratic tradition for the last seventy-five years, and we hope the country will be able to resolve any issues within a democratic framework; a framework that honors the demands and reforms called by the new generation. While we were there, we were able to witness both the woundedness and healing of this world. In doing so, we are hope-filled.

These sorts of issues, though, are not only issues in Sri Lanka. They are also very much the reality of our world. My

family and I have seen and shared in this woundedness and brokenness here in the United States throughout our service here as missionaries. We – the whole human race – have a long way to go. Yes, we are wounded – but we are called to be wounded healers like Christ. You can share your woundedness with friends in mutual support and understanding. Christ is there to heal all of us.

I am grateful for our staff who took such great care of Emmanuel Community during our time in Sri Lanka. While physically away from Emmanuel, you all were in our thoughts and prayers all the time.

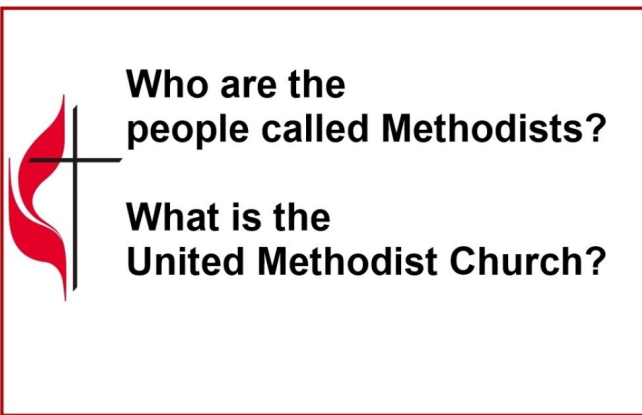

Speaking of prayer, I urge all of us to pray for the Season of Creation (September 4th through October 2nd), as well as for our preparation for Fall and Advent.

Finally, let me conclude this message with Saint Paul's call for all of us as we engage in Jesus' ministry of Peace in and outside the church. **"So, if anyone is in Christ, there is a new creation: everything old has passed away; look, new things have come into being! All this is from God, who reconciled us to himself through Christ and has given us the ministry of reconciliation,"** (2 Corinthians 5:17-18, NRSV-UE).

Have a great September everyone! For the sake of my family and friends, I will say, "Peace be within you!"

Pastor Jerome Sahabandhu

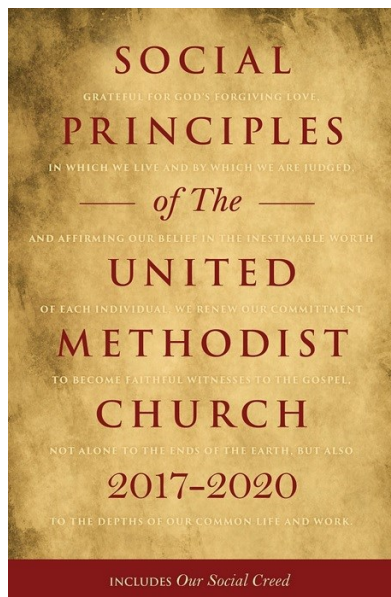

What do we at Emmanuel Community United Methodist Church believe? How do we live our lives as Methodist Christians? Who are the people called Methodists?

These are important questions for us to ask ourselves every now-and-again, and to answer them I've put up a rotating display in the narthex display cabinet with little posters of our *Articles of Belief* and our *Social Principles*, together with copies of our *Social Principles* booklet which are available free-of-charge in the rack next to the play case.

I hope this display will be helpful to us as we regroup ourselves in our Methodist heritage and go out into Menomonee Falls and the surrounding communities to make disciples of Jesus Christ for the transformation of the world!

Blessings,
Pastor Sean

Each week there are new posters in rotation.

Thanks to everyone who donated to Ukraine relief. Special mention to the Sew & Sews who made a beautiful wall hanging which was auctioned off and then donated back to our church and now hangs in the vestibule outside the sanctuary. With this special project and other generous giving ECUMC was able to contribute \$3,375.00. This - along with other churches - enabled Midwest Mission Distribution Center to make 4 shipments to Ukraine of food, blankets, gloves, baby supplies and medical supplies.

Game Night

For all of you who love to play games, this group is for you. We meet the third Friday of every month at 7:00 in Fellowship Hall for anyone who can make it. We play games such as Sequence, Mexican Train Dominoes, Euchre, Play Nine, Quiddler, or any game you care to bring for the group to try. We usually have several different games going on around the room. We all bring our own beverage and snacks. When Covid numbers go down again, we will go back to sharing snacks. Our next Game Night will be Friday, September 16th at 7:00 in Fellowship Hall. Please mark your calendars for every 3rd Friday of the month to join in this fun event. If you have any questions, please contact Linda or Bob Wagner at (262) 255-0441 or linbob530189@gmail.com.

Welcome Back YAHAS!

We will again meet on the third Thursday of the month. This month we will meet on Sept 15th at 11:30 AM for a lunch of Sloppy Joes, Buns, Pickles and chips. Dessert will be served. Our speaker will be Pastor Jerome about his trip and facts about Sri Lanka. We will meet in Celebration Hall and see slides. ALL ARE WELCOME! Sign up on the sheet between the ministers' offices. Dues \$2.00.

Soap Making Workshop

People have been making soap since before history has been recorded. Come and experience this ancient art and science for yourself this fall on Sunday September 25, after the celebration for Karen Burzinski (approximately 12:00).

Donna Baumgartner makes her own soap and is looking forward to sharing this creative opportunity with anyone who wants to learn more about it. If you would like to take part, please let Donna know at donna.baumgartner59@gmail.com

Supplies to bring with you:

- An old long-sleeved shirt (does anyone still have their ECUMC Kitchen Klub denim shirt in their closet?)
- A pair of elbow length gloves (rubber dishwashing gloves, rose gauntlets, etc.)

We will talk about:

- A short history of soap
- How to handle Lye safely
- What it means to Donna to make her own soap

This will be fun! Snacks will be provided.

SEASON OF CREATION 2022

Creation Justice Tips from The Green Team

The United Methodist Creation Justice Movement provides "Tips" each month as a tool to equip church members, families, and individuals to respond to God's call to care for creation and do justice with our neighbors. Below, you will find some selected tips to consider adopting or practicing. Check to see what might fit your life.

Conserve: When you realize something wonderful is being chipped away, take action to stop the damage. Visit the [Nature Conservancy](#) website.

Regenerate: When you despair over degradation, remember "The earth is the LORD's" (Psalm 24:1) and dig in with hope. Work in harmony with God's natural systems to bring back life. Composting, clearing waterways, planting for pollinators are ways.

Renew: Immerse yourself in nature. Try forest bathing, hiking, enjoying a park, hunting for waterfalls and wildflowers, going to a botanical garden or arboretum, getting out on the water in a sailboat, kayak, or canoe.

Invest: What you choose to use your money for makes a difference. Even small "investments," such as purchases of

organic food and items that are not plastic count, as well as any other outlay of your money, time, or effort that contributes to a healthier planet.

Divest: Get rid of "stuff." Shed the burden of the consumerism mentality. Pull out of investments in fossil fuels. Choose simplicity and what's good for the planet.

Teach: Children observe continuously. Teaching younger generations through words, expectations, and especially by example to care for God's creation and to seek justice is a special legacy. "Train children in the right way, and when old, they will not stray" (Proverbs 22:6).

Milwaukee Habitat For Humanity is Focus for Missions Team on Kick-Off Sunday

Besides all the fun of the "Taste of ECUMC" on Kick-Off Sunday, September 11, the Missions Team will have some special visitors at their "café". The booth, Joseph and Son Carpentry, will feature informational materials, games, nuts and bolts, a nail jar, and two guests: Kristi Sebald (Development and Faith Relations Coordinator of Milwaukee Habitat) and Anne Ruttger Neafie, (the Habitat Interfaith Church Coalition Coordinator). Our guests and a couple of our own members who have already volunteered with Habitat, will answer any questions you may have.

Christmas Program Planning

As your calendars begin to fill with school year activities, please save time to participate in ECUMC's Christmas Program. The entire rehearsal and performance schedule is listed on the following JotForm link: <https://form.jotform.com/212938145041148F> Please help staff members plan for this annual tradition by filling out the short survey below the schedule.

Fall Sunday School – Something for Everyone

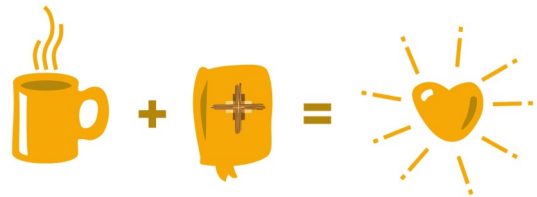

Faith development is a life-long endeavor. Taste and See what ECUMC offers in the way of Sunday school classes for children, youth, and adults.

Nursery: Ages 0-2, staffed by caring professionals; open from 8:15-10:45 a.m. and during special events. The Nursery is located across from Fellowship Hall in Room 108. Parents are welcome to stay in the nursery as their children adjust to the new environment. A buzzer system is available to allow caregivers to reach parents as needed.

Jesus' PLACE Preschool: Ages 3-4 and 5 year-old children who have not yet entered kindergarten. Children meet in a dedicated classroom with the same teachers for the entire school year. Parents are welcome to assist. Gather in Room 106 at 8:30 a.m. for Bible stories and stimulating activities designed to introduce children to the love of Jesus. Children will be taken to the Children's Music Room behind Fellowship Hall for Music Time from 9:15-9:30.

Children's Sunday School: Kindergarten through 5th grade. Grade level classes are held from 8:30-9:30 a.m. with the last 15 minutes devoted to Music Time in the Children's Music Room. Please read more about this activity-based Sunday school program in the "Parent/Teacher Orientation" article.

Junior and Senior High Sunday School: 6th-12th grade students meet from 8:30-9:30 a.m. in Room 102, the Youth Room. Hands-on activities, games, and movie clips cement concepts explored in Bible study and discussion portions of each class. Class is held in a relaxed, comfortable classroom. Students are also encouraged to participate in worship services and to assist with preschool and elementary Sunday School classes.

Adult Sunday School: 8:30 a.m. on 2nd-5th Sundays. Adult classes are offered at various times throughout the year and are often based on a 4-6 week topical approach. Watch Pathways, Community News, Monday eNews, and bulletin boards for upcoming opportunities. Be sure to round out your faith development practice by participating in Intergenerational Sunday School following Worship on first Sundays.

Intergenerational Sunday School: 9:45-10:45 a.m. on the 1st Sunday of every month. Intergenerational Sunday School is a community building time of faith and fellowship between all age groups. Sunday School classes for children through adults are suspended on 1st Sundays to allow everyone to worship together in the Sanctuary then grow in faith together in the relaxed atmosphere of Celebration Hall. Coffee and snacks will be served.

Parent/Teacher Orientation Children's Sunday School

The Children's Ministries Team is ready to dive into fall with classrooms full of children in our engaging Workshop Rotation Model Sunday School (WoRM). This very successful Sunday School model we have used at ECUMC for kindergarten through 5th grade, is more than worksheets and assigned classrooms. Children focus on one Bible story a month, experiencing the story from a variety of angles in a different classroom each week. Weekly repetition cements this newfound knowledge for children. Children who cannot attend every week still grasp the concepts and never feel like they are missing out, because projects do not carry over from one week to the next.

Parents and Guardians, we want to help you learn the system, understand why we teach the way we do, and take the confusion out of finding your child's classroom on Sunday mornings.

This model requires a teacher and assistant in each classroom weekly. There are opportunities for adults and high school students who would like to serve all year, and there are short-term opportunities for anyone interested in a 3-4 week position.

We invite all who desire to help our children grow in their relationship with Christ to come to Sunday School September 18th at 8:30 a.m. Choose the age group with which you would like to participate, and experience WoRM Sunday School with the children. During music time at the end of class, adults will have the opportunity to ask questions and learn how they can serve our children.

Confirmation Begins Sunday, September 11th

We will begin the confirmation year on Sunday, September 11th with an introductory

meeting from 5:30 to 6:30pm for all students and their parents from 8-12 grade who have not been confirmed. Pastor Jerome and I have established a confirmation program to use for the 2022-2023 confirmation class. We will be meeting on Sunday evening from 5:30pm to 6:30pm at church for confirmation. Although we will try to get together in person on a weekly basis, there may be times we utilize Zoom. Please let me know if your student is going to be a part of this year's confirmation class. I would like to get an idea of how many are participating so I can have the materials ready to be distributed properly. There is a \$50 fee for confirmation. Please bring the fee when we get together on September 11th. I am looking forward to an exciting year. Please let me know via e-mail as soon as you are able. I appreciate all your prayers, support and understanding.

Youth Council Being Formed

Crossroads (Youth in 6-8th grades) and Tribe (Youth from 9-12th grades) will meet in a combined group to kick-off the new year on Sunday, September 25th at 6:30 and this will immediately follow confirmation scheduled for 5:30 to 6:30 the same Sunday. We are looking to set up a youth council who will work together with the adult youth leaders in setting up activities, planning events, outings, field trips, mission projects, in addition to setting up and planning a summer work mission trip for 2023. We are looking to get representation from each class (6th through 12th) to help be the guiding council for the 2022-2023 youth year, so plan on attending on the 25th!

This will be a work in progress and I appreciate your prayers, presence, positive thinking, and willingness to share your talents and time.

Please feel free to reach out to me with any questions or concerns.

STEWARDSHIP

Gratitude Moment

Time, Talents and Treasures are abundant in the Christian church. In fact, this is not surprising as there are over 2,200 verses in the Bible discussing money, possessions and how to use them. When we joined the church, we committed to supporting it and our church family with our time, talents and treasures. Likewise, the congregation committed the same to us. Our church, in seeing what each of us is bringing, is able to help lead us to God and to do his work. Together, we continue to build a place of God, for now and into the future. This is what makes Emmanuel Community an amazing church. In 1 Thessalonians 5:11 Paul wrote

"Therefore encourage one another and build up one another, just as you also are doing." In Ephesians 2:19-22 he wrote the following to energize the Ephesian Christians

"Now therefore ye are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God; And are built upon the foundation of the apostles

and prophets, Jesus Christ himself being the chief corner stone; In whom all the building fitly framed together groweth unto an holy temple in the Lord: In whom ye also are builded together for an habitation of God through the Spirit." Enjoy your Sunday and be thankful for the Time, Talents and Treasures God has provided. Be willing to share them back with our church. They are what makes our church a better place for all who come.

NOTES FROM THE OFFICE

Tara Nooyen; taran@ec-umc.com

September has always been my favorite month of the year. As a child, I loved the new crayons and lunch box I got. As a teenager, I loved attending school sporting events with my friends. As an adult, it seemed like it was easier to make plans because everyone was returning from vacation and had time for friends. As a parent, I looked forward to the kids going back to school. (If you're a parent, you know where I'm coming from). I also loved going to watch them play in school sports each year. I have previously mentioned that I still love sports and when it's baseball season AND football season, I am happy. My favorite thing about September is the weather. I'll take 50's and rainy over 90's and humid any day!

This year, I'm not sure how I feel about September. We just dropped off our youngest child at college for the first time. We're officially "empty nesters". I'm finding the unknown is overwhelming. Will she adapt? Will she like her classes? Will everyone she meets realize how lucky they are? Will she eat more than just grilled cheese? How long will her new goldfish "Tofu" live? (There is a poll and it is not optimistic).

There are more important questions. Will she know how much I will miss her? Will she miss me? Did we prepare her to be independent? Will she be overwhelmed by all the assignments and papers? And seriously, will she eat more than just grilled cheese?

Just as September usually signals a change of seasons here in Wisconsin, this year signals a change in the seasons of my life. I came across this passage in the book of Hebrews. **"Now faith is confidence in what we hope for and assurance about what we do not see."**

ECUMC is going through some changes and there are unknowns. It can be overwhelming.

Have faith.
